Subject :—

Appointment of Mr. V.V.Monterio, M.B., B.S., as Dentist on a pay of Rs. 200 per mensem in the grade of Assistant Surgeons 1st Grade the present cadre of Assistant Surgeons 1st Grade being increased by one.

Reference is invited to my Final Note of 14th March 1919 in Medical File No. 62 of 1918 regarding the training of Mr. V.V. Monterio, M.B., B.S., of Shimoga for the Department of Dentistry in the Victoria Hospital.

Mr. Monterio who was deputed to England for this purpose with a Foreign Scholarship tenable for two years has now returned and it is reported that he has passed the necessary qualifying examination and obtained the Saunder's prize for proficiency in dentistry. The Senior Surgeon recommends that he may be appointed as 1st Grade Assistant Surgeon on a starting salary of Rs. 200/-, the appointment being treated as an addition to the cadre of 1st Grade Assistant Surgeons against the provision at Rs. 150/- made in the budget for the pay of the Dentist.

When the file came before me I recorded the following minute:-

"The proposal of the Senior Surgeon may be approved. Mr. Monterio will be a whole-time officer. He may be given Rs. 200/- in the grade of Assistant Surgeons 1st Grade, the present cadre being increased by one as proposed. The appointment will count against the provision of Rs. 150/- made in the budget for dental surgeon and the balance will be met by reappropriation".

The Dewan and the other Members of Council agree to this recommendation. The First Member however adds that Mr. Monterio should be placed below those who are already getting Rs. 200/- in the grade recommended. This will be done as a matter of course, as Mr. Monterio

is a fresh entrant.

The recommendation may be graciously sanctioned.

SIR,

I have the honor to state that Mr.V.V.Monteiro, MB, BS, who had been deputed to England for training in Dental Surgery is reported to have passed the necessary qualifying examination and is on his way back to India. He expects to be in Bangalore about the 21st instant. I request that Government may be pleased to order his appointment as Dentist to the Victoria Hospital.

Mr. Monteiro is reported to have done very well and obtained the Saunder's prize for proficiency in his subject after a competitive examination. Considering that Mr.Monteiro has had a successful career and ~~the fact~~ that candidates who have returned from England merely with the L.R.C.P. and M.R.C.S. qualification have been started on Rs.200, it will be but fair to give to Mr. Monteiro a similar start, viz., Rs.200/- against Rs.150 given to the previous half-qualified Dentist. He may be given the status and scale of a First Grade Assistant Surgeon, the appointment being reckoned as an addition to that grade against the sanctioned appointment of Dentist. He will be made to work daily for three hours in the mornings instead of on three days in the week as the former Dentists.

There is a provision at Rs.150 in the budget to meet the pay of the Dentist and the excess at Rs.50 per mensem during the

current year will be met from the provision made for Passed Medical Pupils in which savings may be expected to the extent now required.

I request the favor of very early orders.
